Fire Chief – Police Chief – American Citizen

Patriot Flag – presentation (Large USA Flag) Our objective is to have as many people see and touch the flag as possible.

The WORLD MEMORIAL, a nonprofit charity, is setting up a 9/11 Tribute and Memorial Display with a Candle Light Vigil Ceremony in Santa Monica, California at the foot of the pier for the 9th Anniversary. We will display about 200 flags and other memorials to honor the fallen citizens of the world as well as the public safety servants that laid down their lives in the line of duty. All of the World countries that lost citizens will have their flags flown as well as all of the 50 USA States flags and the US Territories.

We are also going to fly a 30 X 58 foot USA Flag from a Santa Monica Fire Department Ladder Truck and conduct a Pledge of Allegiance. This is where we need your help. On Sept 12th I will ship the flag to Arizona via two Retired FDNY Fire Fighters where it will fly in as many as 4 cities over 6 days. On the 21st it will be sent to Texas and off to 3 cities at a minimum including San Antonio, Dallas-Fort Worth and El Paso. We have 50 weeks to fly the flag in all of the 50 states. When we have completed the task, we will drive it to NYC from San Diego and fly it in other cities that we travel through. The flag will then fly in Manhattan NYC, Washington DC and hopefully Shanksville PA for the Ten Year Anniversary. The flag was donated to us from the American Legion J.B. Clark Post 149 through the Escondido Auto Park Association where it flew for every day approx 6 months. While we accepted the flag, it belongs to the people of the United States of America. We are just managing the tour.

Our organization is a nonprofit US Federal Recognized Charity and no one is compensated for their time served. This is a very important mission that we have committed to and completing this task is not something that we have taken for granted. We welcome your assistance. As the Ten Year Anniversary approaches, the families of the fallen will appreciate this unselfish effort.

We would be honored to have your org assist us with this project. We will have the flag shipped in a box with a log book and five smaller flags. Two of the flags (Flag of Honor and Flag of Heroes) have all of the names of the fallen recorded in the stripes. These flags will be supported by a halyard that could be suspended from two poles. There will also be small flag piece of the Patriot Flag for you and other people to sign. These fabric panels are the cut off end of the flag which needed some repair before we accepted it. They will travel with the flag to the remaining cities and forever be a part of the project. We will provide support and logistics via FedEx and arrange for shipping for the flag to the pre-determined destinations.

The only basic requirement is that the Flag be raised by public safety personnel on a fire truck and remain flying long enough to make an impact. We also are requesting that the Pledge of Allegiance be recited. Any other detail above this is up to your discretion. The News Media is welcome if your department decides to work with them.

Here is the website address for this important project:

WORLD MEMORIAL

9/11 Salute to Uniformed Public Service and the families

Vancouver – Los Angeles – San Diego – Phoenix – Dallas – New York – London – Prague

The mission of the WORLD MEMORIAL is to honor the sacrifice of our fallen heroes and the families; to serve as an educational facility disseminating information, promoting tolerance and truth among all nations and people, and finally; to design a lasting monument, and establishing the "KidzBSafe" educational program promoting safety and tolerance and truth among all nations and people, and to preserve for all generations that moment in time, 09 11, 2001, which is forever seared into our collective memory.
